

I just wanted to thank you for helping to make my wedding dress shopping so much fun! I came in and tried on wedding gowns and can't thank you enough for the experience. I had a great time, and so did my mom and sisters.

The dress I found was absolutely beautiful and your tailor made it fit so well. Who would have ever thought I would experience that quintessential experience where you look in the mirror and cry because it is just the 'perfect' dress. Your staff was so helpful and patient as I tried on each and every dress I thought would work and I was delighted when they started bringing me dresses that were even more beautiful than I had imagined.

I really feel like my Lili's Bridal experience let me be myself throughout the whole experience. Even though the tailor thought I was a bit crazy when I asked to take the train completely off, she did it! It looked great and matched the vision in my head perfectly. The delicate earrings and hair piece you selected were the perfect compliment to my rustic outdoor theme and a nice play off the cowgirl boots. Thank you so much for listening to me, hearing what I was saying and translating it into a dress and accessories that were simply perfect.

My experience was so fantastic I have already sent in two friends and my sister is flying in from 2,000 miles away just to share in the Lili's bridal experience.

We all feel very lucky to have found a place that not only provides beautiful dresses, but also serves a very important cause with your association with the Lili Claire Foundation which helps children and their families with birth defects. Thank you. I am really trying to bring a larger sense of social awareness into my wedding and the Lili Claire Foundation is a perfect way to do this.

Thank you. Thank you. Thank you.
